

THE MOHAWK FOUNDATION

Entry Fee Reimbursement Program

Purpose: The purpose of this program is to encourage members and supporters to do significant fundraising for The Mohawk Foundation (TMF) in exchange for reimbursement of entry fees to race(s) of their choosing.

Basic Description: When a member or supporter of TMF chooses to use the EFP program, they will be obligating themselves to raise 5 times the cost of the entry fee they would like covered. They can either prepay the entry fee and be reimbursed after completion of program, or receive payment equal to the amount of the entry fee after completion of fundraising program. Proof of payment to entry fees will be required in either case.

Guidelines:

1. Athlete must raise 5 times the entry fee (**500%**) to receive full 20% payment of funds raised from TMF.
2. No other fees for insurance, travel or extras will be covered.
3. Athletes not achieving the full 5 times fundraising requirement will be given payment of funds based on the total amount raised:
 - a) 1 times the entry fee raised will result in no payment to athlete.
 - b) 2 times the entry fee raised will result in a 5% of funds raised payment to athlete.
 - c) 3 times the entry fee raised will result in a 10% of funds raised payment to athlete.
 - d) 4 times the entry fee raised will result in a 15% of funds raised payment to athlete.
4. Athlete can either prepay entry fee, which is highly encouraged for high demand races, and wait for reimbursement **OR** provide TMF with an entry fee amount and be given the funds when commitment is reached or by a preselected date.
5. Athlete is **STRONGLY ENCOURAGED** to wear a current TMF uniform for the designated sport they are competing in through this program. Uniform will be provided at no cost by TMF on a case by case basis and will be determined by the race chosen and fundraising required.
6. Proof of payment of entry fees **MUST** be provided to confirm proper usage of funds.
7. Athletes are **HIGHLY** encouraged to post on social media about your fundraising targets and reasons. We have nothing to hide, in fact publicizing this program should lead to increased growth and fundraising.
